# OUR PRINCIPAL

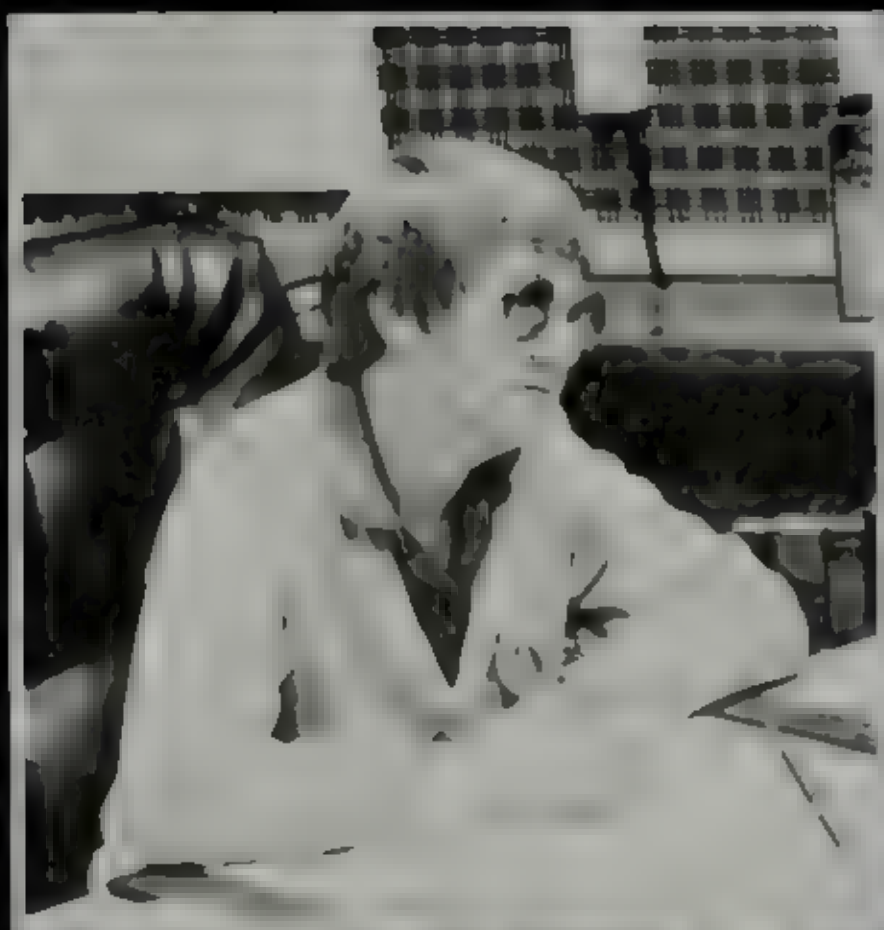

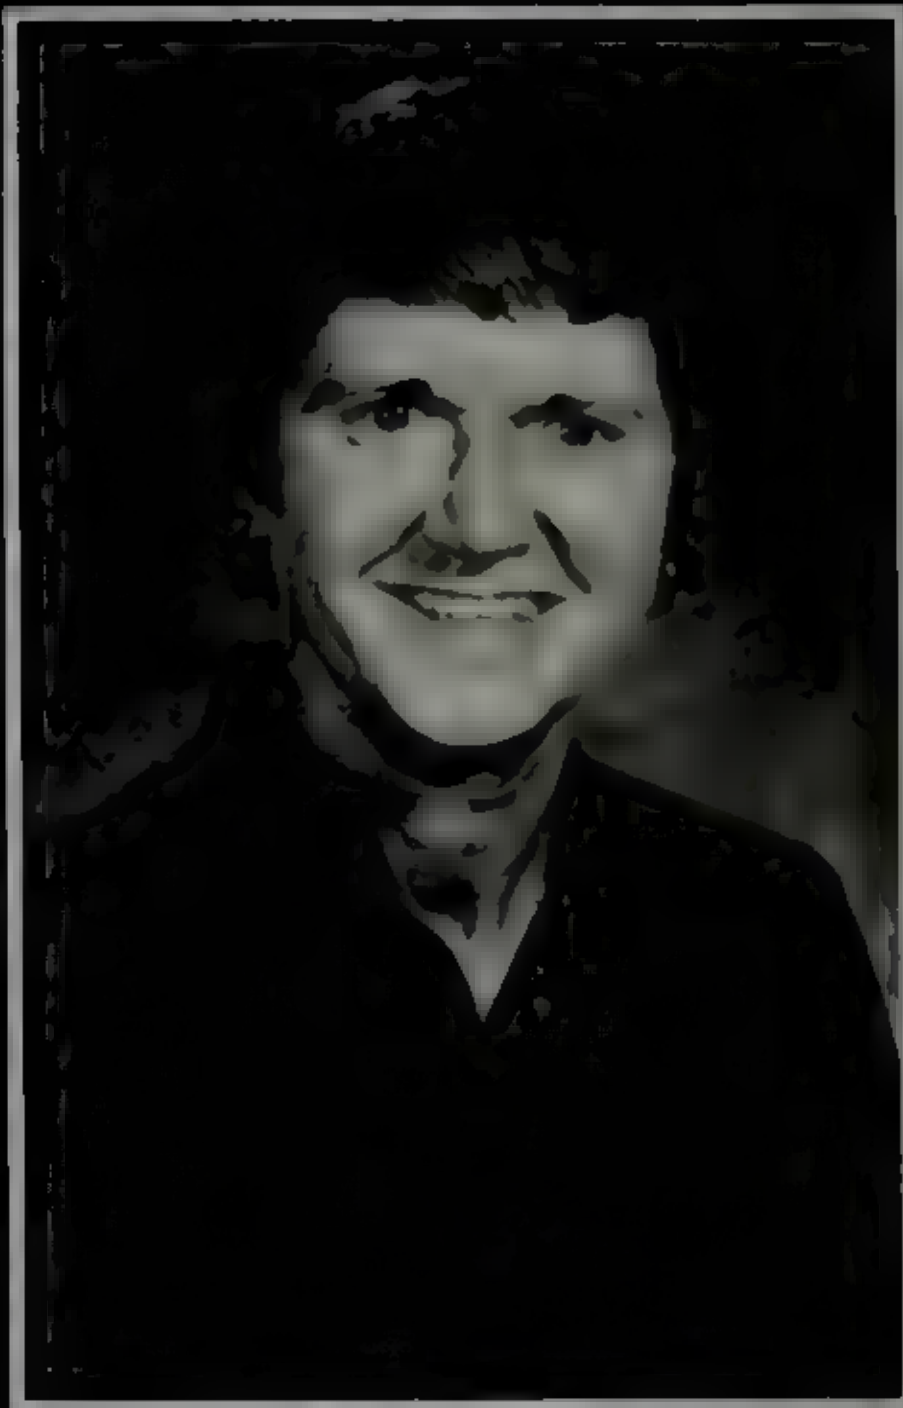

In 1966, every true musical mind was given to 'Man of La Mancha' which put the character of Don Quixote in tender perspective against the harsh background of everyday life. One number from this musical comedy had been sung countless times, and yet it always seems appropriate regardless of the occasion. Let me quote a few lines to refresh your memory.

"To dream the impossible dream,  
To fight the unrightable wrong,  
To try when your arms are too weary,  
To reach the unreachable star."

I would like to challenge each of you to do just that. *Dream Your Impossible Dream.* Dream for yourself a goal and work with all your efforts to achieve it. Dream for yourself the kind of individual you would like to be—and then be it. For myself right now—my dream is that each of you will become and achieve all that your capabilities will allow.

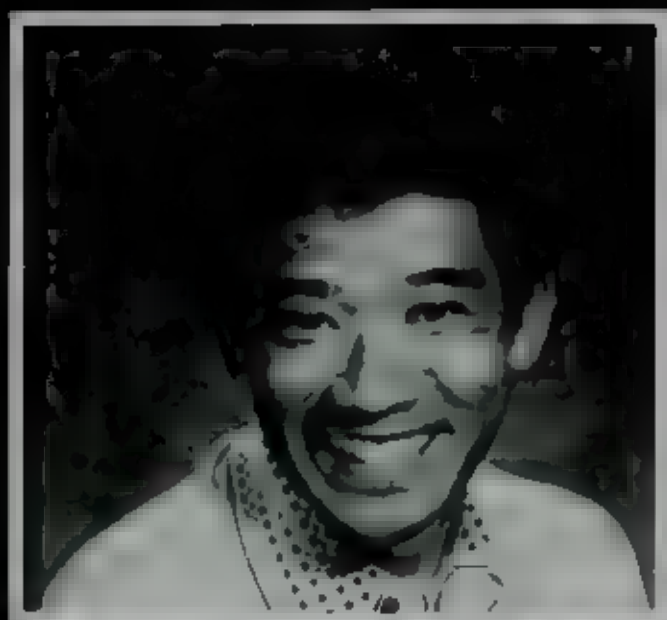

Thank you for being loyal Senators full of pride, respect and love for Magnolia High School. It has truly been my pleasure to work with you and for you.

*M. Jane Morgan*

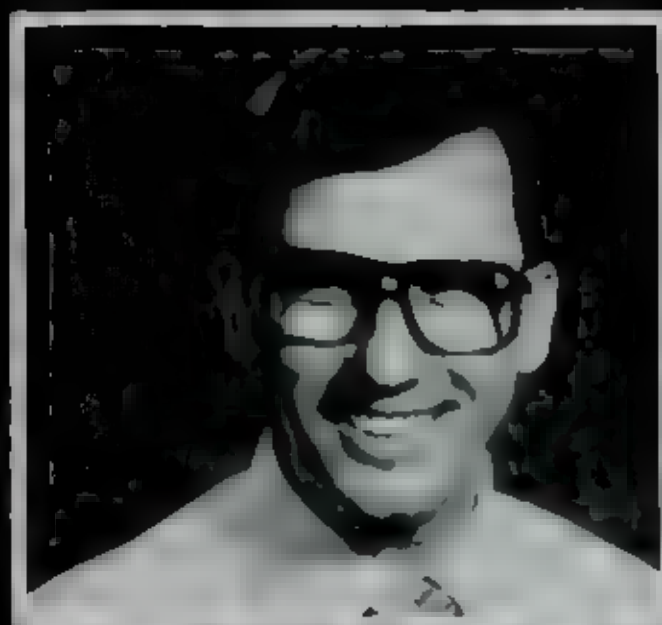

# ASST. PRINCIPALS

What I'll always remember about the Class of 1979-80. Memories. Surfing and skateboards gave way to Mopeds and cruiser bikes. KMHS blasted sounds by Led Zeppelin, Village People, Kiss, Styx, Queen, and The Cars. Mixed feelings amongst Rock, Hard Rock, Disco, and Punk Rock listeners. Washed out Levis and T-shirts gave way to beautiful straight skirts with a long slit on one side for the girls, and the boys. "Well, what can I say" Oh, their hair was cut shoulder length. Naturals and "Perms" didn't quite make it big. Favorite sayings by students in my office for referrals were "I'm sure," "Whatever," "Shine it", and "Forget it". Students left campus for alot of reasons but for gas??? Lots of excitement in Anaheim as Angels won their first American League Pennant. I'll always remember this class when I hear one of my favorite songs "Just The Way You Are" and I hope someday we can again be "Reunited".

With Love and Concern Always,  
B. M. Taketa

After having taught at Loara High School for 12 years, it was a welcome change to come to Magnolia High School as an Assistant Principal. My job description makes me responsible for discipline, attendance and activities.

I have found this job to be a pleasant experience. The Magnolia students I have met have made my new experience rewarding. They have been extremely warm, friendly and cooperative. I hope that this relationship will be a lasting one.

John S. Douglas  
Assistant Principal

I would like to say to all graduating Seniors that I have thoroughly enjoyed working with you and want to wish you the best of luck in the future. To this years Sophomores and Juniors, I will be looking forward to seeing you in September.

A black and white photograph of a woman, likely a Native American, wearing a traditional feathered headdress and a patterned garment. She is looking slightly to the side.

The 1979-80 Sentinel basketball team started the season with team inexperience but gathered momentum throughout the year to become a strong league competitor. This fine improvement was led by returning letterman and All-League performer, 6'5" Dave Fern. Also, Jr. cagers Greg Diggins and Dale Barry developed the team concept and got added support from Jr. Cris Bancroft, Seniors, Jeff Hayes, Bosco Chagollan, Mike Brees, and Sophomore Andy Klien.
